[winners take all by anand giridharadas kirkus reviews](#)

Give a hungry man a fish, and you get to pat yourself on the back and take a tax deduction. It's a matter of some irony, John Steinbeck once observed of the robber barons of the Gilded Age, that they spent the first two-thirds of their lives looting the public only to spend the last third giving ...

[queens of the conquest alison weir author](#)

Drawing from the most reliable contemporary sources, Weir skillfully strips away centuries of romantic lore to share a balanced and authentic take on the importance of these female monarchs. What emerges is a seamless royal saga, an all-encompassing portrait of English medieval queenship, and a sweeping panorama of British history.
