

WINNERS TAKE ALL HAVE ELITES RIGGED THE SYSTEM

[how the deep state operates return of kings](#)

When looking at the state of the world that we live in today, it is sobering to think that not so long ago, many people thought that it would take a vastly different course.

[metaphors in american politics your guide to political](#)

Hello folks! Sorry it has been so long since my last post. I have been busy with work projects, home repairs and family events. I have also had several technical problems with the blog.
